TOWN OF PINCOURT YOUTH CENTRE

We wish to draw your attention to what we believe is a most interesting community project.

In consultation with citizens of the Town of Pincourt on Ile Perrot and the Town Council, the Lakeshore Y.M.C.A. has been invited to assist in the development of a teen centre within the town.

The Town Council has made a house available to the teenagers at no cost and local citizens are contributing furniture and other items to the group in order to make the house operational. Over 100 young people are now involved. All necessary renovations and improvements to the building are being done by the young people themselves.

If you are interested in developing a news feature story around this interesting example of a community rallying its many segments to meet a particular need, please contact Mr Terry Forth, Lakeshore Y.M.C.A., Telephone 695 - 9561.
